SUNDAY SPORT
YOU MUST WIN A MILLION POUNDS
WOMAN GIVES BIRTH TO 8lb PUPPY

TITILLATING HELEN IN HER TIFTER BECOMES A FOUR-VICE GIRL!

Helen Simpson loves three-times-a-week *Sport* Newspaper but *we* spotted her airing her dazzling depilated talents in fortnightly *Parade* first, which meant we *had* to get her to go that much further for demanding Park Laners.

What's more, as our starter snaps also reveal, Helen has a weakness for adults-only, phone-in lines – her current favourites being *I Had Thirty Men In A Day* on 0898 442 826, and *Live Sex Action* on 0898 442 836 (as you might have guessed). And note *you* can share her aural fun for just 5p for 12 seconds (8p peak times) on these hotter-than-hot lines.

That makes *three* vices (if you don't include her weakness for horny headgear), and now she has a fourth – long term depilation!

Yes, she didn't just trim those pubes of hers as a one-off experience. You see she's heading next to reveal her shorn-to-please in's-and-out's in our two magazine chums for male shavinist pigs: all-colour *Pocket Shaven Ravers* and large-size *Shaven Ravers*.

So if you'd like to get to know Miss Simpson's bold, bald bits even more intimately, head for these picture books where pubic hair is utterly square. ►

Mind you, you won't find these mags that go *baldly* where few men's magazines have gone before, on sale *everywhere.* So exploit Park Lane's sampler slip in Helen's shaven slot, if you want to be sure of meeting more of today's depilaton generation!

YES, I LOVE LOVELIES SHORN-TO-PLEASE
So please rush me the latest issues of 'Pocket Shaven Ravers' Magazine and large 'Shaven Ravers' for just a fiver (£5 enclosed).
I am 18 years or over.

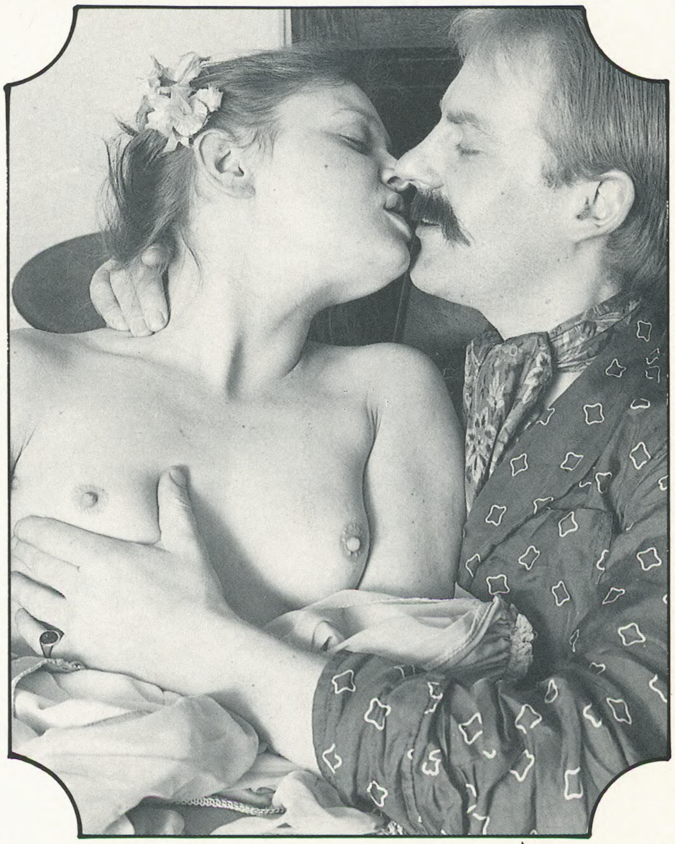
THE DIARY OF A PARK LANE RAKE

IT'S MAKE YOUR MIND UP TIME FOR HORNY HUGH!

Once again, Park Laners, we share the exclusive sexy diary of the monied layabout we all envy if we're honest with ourselves.

Yes, horny Hugh Mortimer (sometimes known as Hugo when he's feeling extra-snobby) was born with a silver spoon in his mouth, and a permanent urge in his pin-striped trousers (of should we say, *trisers*?), and has nothing better to do all day than bonk away with eager-to-please lovelies who flock to his off-Park Lane apartment in London's West End.

Of course, he's got regular bed-partners like kinky, curvaceous Connie, but there always seems to be somebody new and naughty in Hugh's horny life. This time, it's the turn of gorgeous Anthea to put her bespoke and shapely spoke in Hugh's works...



'Her legs spread under me'

THE DIARY OF A PARK LANE RAKE

It really is beastly, the horrible New Year's to Easter period this year.

It is a colossal anti-climax when one actually feels like doing damned all, even if well nigh 'damned all' is one's usual workload!

My long standing loneliness, Connie, she of the spaniel eyes and tight mouth, tight arse, lovely tits, and long legs, has a sort of *mirage nouveau la même* at this time of year when she retired to the 1930s mock-Tudor purlieus of deepest Purley to expiate her lower middle class feelings of guiilt for having turned into a stripper, glamour model, blue movie queen, and high class tart of the carriage trade.

This is a secret down at the end of the Caterham line. She says she is an executive secretary and dresses like one when she is home – tweed skirts and pleats swishing just above her knees, in pastel shades of blouses, with small wrist bangles, and white *Woman's Own* cardigans gracing those lovely shoulders, as if their owner was only really attached to a deckchair in the confines of a willow-surrounded cricket ground, watching her fiancé bat.

In fact, we both play the field – indeed, *my* doing so is Connie's reason for letting her 'Miss Hyde' persona loose. But we always come back together.

The problem is *marriage*. I don't want it. Connie does. My father does, my bank manager beams at the prospect, and my friends who have succumbed themselves are becoming rather tiresome banging on about it.

I am approaching thirty. I just want to be like my old chum, Hancock who is now in his late forties and a recognised bachelor. Old 'Jerker', as he was known at Haileybury, is now written off by mothers with unattached daughters, but he is still in demand for their parties as a wise council, an older head among the young.

This morning the telephone rang early. It did not shrill, as it does when Connie is doing the calling, but had a more pleasant moderation in its jangle. I picked it up and Jerker's voice said, "Hugo, old top?"

"As ever," I replied.

"Ah, am off to Cape Town to my 'haice' for their late summer – early spring. Would you take care of my cousin Anthea? She's down from Somerville for the half, and I don't want to leave her entirely on her own."

"Delighted," I said automatically. "Er, what's she like?"

"Oh, um, well let me just say if she were not my cousin..."

"Positively *delighted*!" I said.

Jerker was standing in the pub next to a tall, slim brunette, with page boy hair cut close to the head: a sort of aprés Mary Quant hair-do.

"Where are the blue stockings?" I laughed, gazing at

'I was rampant so she didn't waste time'

her shapely legs.

“Only in your *mind*!” she retorted tartly, but with a smile. “Up at university the first thing we discover is that our image is one of boot faced hags with spectacles – sexless harridans.”

One drink led to several and Anthea naturally attached herself to my arm as we left, indicating she was coming my way.

“Hungry?” I asked her?

“Well... sort of...” she smiled, squeezing my elbow.

Anthea did not wear blue stockings, I discovered a few minutes later at my flat. Her tights were black patterned, and worn over a skimpy black matching pair of briefs, together with a half-cup bra.

“Keeps the tits in shape for battle!” she sighed, cupping her hands under each one and gazing down critically at them.

Her eyes were extremely dark: the sort that, to quote the bard, do cream and mantle like a standing pond, when they wish to be unexpressive.

Now they were thoughtful, unblinking, and fixed on me as our naked bodies came together.

Anthea’s hand slipped down and felt my cock, pulling it gently at first, then gripping it with thumb and first finger, as her wrist came down with a little more pressure.

I was rampant, so she didn’t waste time. Her legs spread under me and he knees came up in the usual token of surrender, as she slid her forefinger under my balls and rubbed them encouragingly.

“Oh!” was all she said when I struck home, but her torso heaved with carnal desire as her breaths came and went in gusts of unrestrained excitement.

Anthea did not want to play about. She wanted a good fucking, to put it at its most basic and crude.

I obliged with relish. Anthea was a marvellous lay. Her body was perfectly attuned to mine. Her legs struck my ribs with a bold hold, but there was nothing clingy about them. Rather, they were proud, sinewy, and provoking.

She kissed me with an exploratory ‘let’s see’ technique, as if sex first time was automatically divorced from any *deep* inner feelings. ‘A good poke is a good poke, but let’s see how your lips feel when they touch mine’, was her attitude.

When she could not hold back her orgasm any longer, she let me know by clamping her vaginal muscles with a sudden ferocity on my core.

Within seconds we had made it, writhing, wiggling, and anxious to make the most of what are, after all, but a few fleeting seconds.

Anthea fitted in with me as snug as a bug in the proverbial rug. She was not demanding, outside bed, and gave me my space, so much so that my desire for her never waned.

She was also athletic and we played lots of squash. She was a good competitor, and beat me more than I managed to overcome *her* on the court. There was a lot of oneupwomanship: she would, for instance, bend low right in front of me, showing her tight-fitting knickers straining from suntanned cheeks of her bottom and flashing thighs.

We had just walked off the court after a game, our arms around each other’s waists, at Lansdowne, when we heard a loud and slow handclap from the spectators’ gallery above.

Connie came mincing up with the light of pure murder in her eyes.

“Hello, boys and girls,” she purred. “Has Hugh had your knickers off yet my dear?”

“Oh, no, no, no,” said Anthea, apparently aghast at the idea. “I took them off myself. You see, *my dear,* I am a very

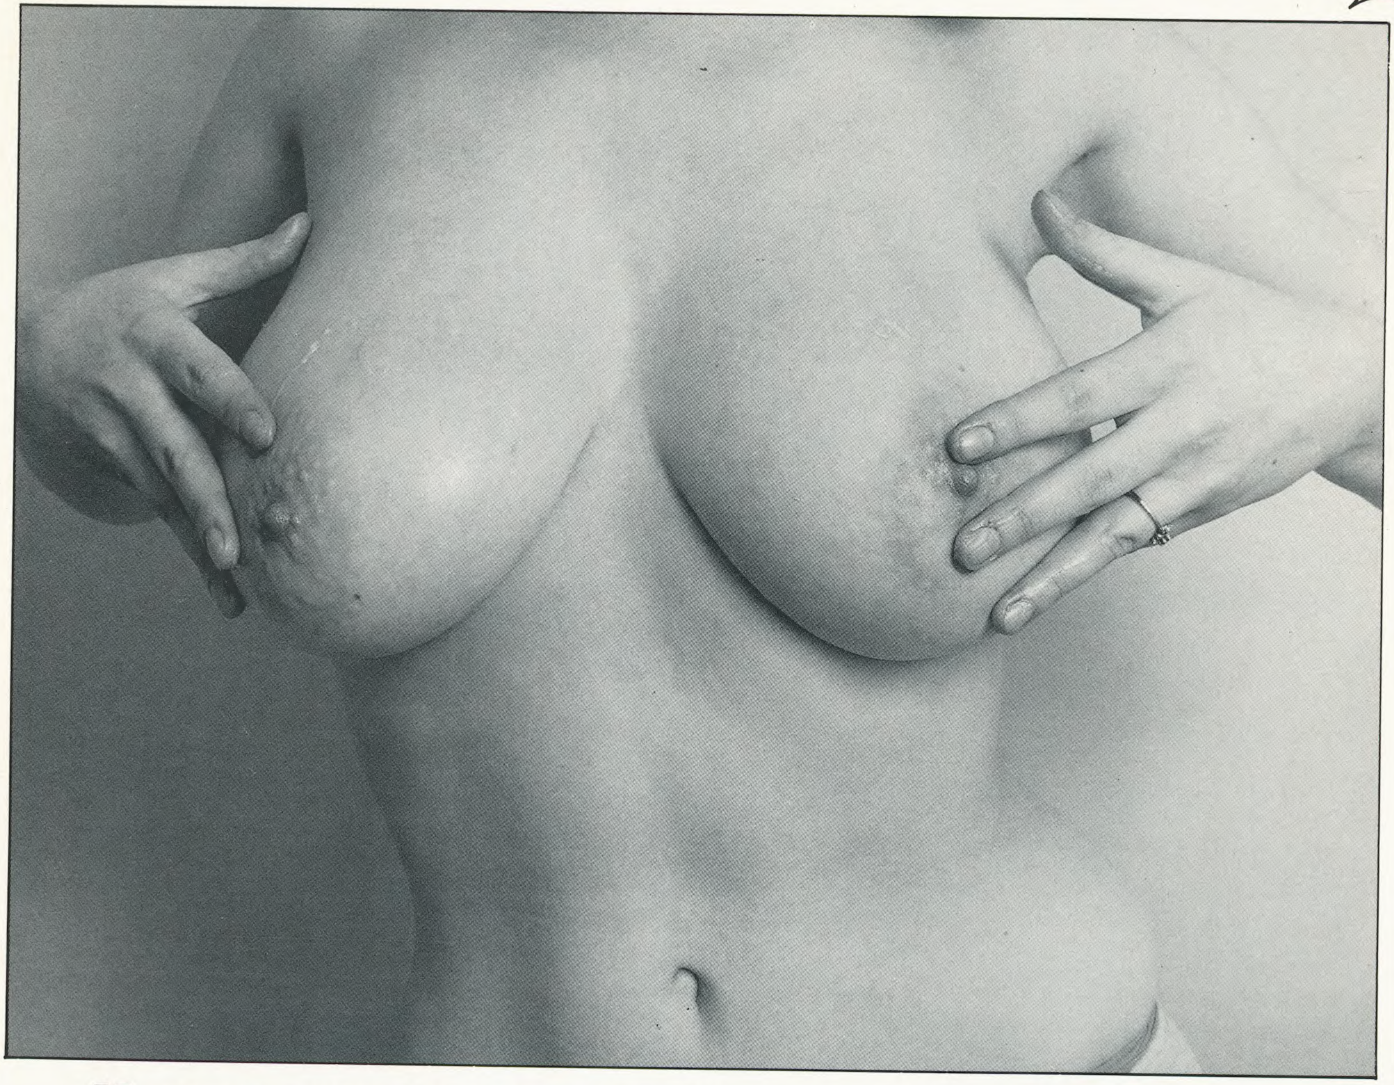
BIG BABS ON THE JOB IN PARK LANE

BOOBIFUL HEADHUNTER BABS GOES ON SAFARI – JUST OFF PARK LANE!



Here we go again, sharing outsize sensations with cleavagy country lass Big Babs, who inherited a palatial pad in Park Lane (and loadsamoney too), and now lives life to the hilt in lecherous London.

Yes, Babs is hungry for erotic experiences of every kind, kinky and all, and every four weeks tells Park Laners in her own words (and note we leave Babs' reports as she writes 'em, for better or worse) of what she's been up to in the fun packed, flesh-filled weeks just passed. And this time round Babs goes on safari, but just round the corner, to relish the Dark Continent's sensual secrets.

We just hope that we palefaces haven't seen the back of bra-bending Babs forever, because they do say, once you have black, you never go back... ►

'I was getting very worked up'

'Soon he rolled on top of me'

'Peter had a good one'

BIG BABS ON THE JOB IN PARK LANE

Barbara, known as 'Bouncing Babs' to her friends on account of her very large and very beautiful, breasts, lives in luxury in a penthouse in Park Lane, which was left to her by a rich uncle.

Since this country lass has been in London she has tried just about every single sexual activity, and this time round she tries another one...

I opened the large envelope and a very impressive card slipped out.

It was from an African Embassy in London, requesting the pleasure of my company at a ball the following evening.

An Embassy ball – that would be a posh affair. Then I realisd why I had got the invite – why I, a girl from a small village out in the sticks had been invited to one of the poshest do's in town.

A few weeks earlier I had run into a black girl who had worked there, had had a fling with her, and *she* must have put me on the invitation list.

I smiled. Vera had said there were lots of studs at the Embassy. She wouldn't be there of course, she had been going back to Africa as her turn of duty had ended.

She had told me, after she and I had had a nice little lesbian session, that some of the studs at the Embassy were really well hung and could go on for hours *and* hours *and* hours.

So I was rather looking forward to going to the ball. Well, I felt sure that I would find some way of getting laid African-style while I was there. They don't call me 'Bouncing Babs' for nothing!

When my uncle left me my vast penthouse, and when I moved from my small village in the middle of nowhere to Park Lane in London, I vowed that I would try out as many things as possible.

I think I have kept my word, and regular readers will know by now about the men *and* women I've slept with – and about the orgies that I've been to.

First, I had to have a new dress for the ball. This was going to be a formal function and I needed a formal ball gown.

That turned out to be very interesting. I went to a small exclusive shop I know in Bond Street, and there was a new girl there who helped me in the fitting rooms.

I was sure that her fingers sort of *lingered* over my naked breasts as she helped me with the dress that I had picked out – a long, white, flowing ball gown.

I never waste time when I think a man, or another woman, is attracted to me. She was nice, about twenty three with blonde hair, nice twinkling blue eyes, and a slim figure. And she looked pretty in her black and white working outfit of skirt and blouse.

I just pulled her to me, crushing the top of my gown as I did so, and kissed her full on the mouth.

I had been right: her fingers hadn't touched me by accident. She kissed me back, and her tongue flicked about inside my mouth and then just about went right down my throat.

I pulled down the front of my gown, and she just let her hands roam over the fullness of my breasts. My red nipples became erect, and her touch felt *very* nice indeed.

"We must meet later," she said.

"I'm tied up for a couple of days with one thing and another," I said. "But come round to my place at the weekend, I'm sure we'll have fun."

"My name's Helen," she said, as I wrote my address down on some paper and handed it to her.

I arranged for the gown to be delivered the following morning to me – there were a couple of adjustments to be made to the hem, and then went back to my place.

I won't bore you with what I did for the rest of the day, but I was mainly looking through estimates I had got for having my entire penthouse flat redecorated.

In fact, that *plus* phone calls to other painters and things took up most of the day, and the following day was taken up with getting ready, and looking forward to going to the ball at the Embassy that very night.

I must admit that I looked really good in that white ball gown. I was really excited at the prospect of going to this, my first Embassy Ball, and I knew there would be very important people there, from other embassies.

The porter called me a taxi, and I didn't have far to go – just round the corner really.

The Embassy was a very substantial building bathed in spotlights. There were Rollers and Mercs and BMWs galore parked outside.

Once inside, my wrap was taken by a uniformed flunkey, a man dressed up in old fashioned doorman's type of uniform, then I went towards this huge door. It was pulled open, and

PARK LANER'S TALE PRESENTS

LIFE & LUST BEHIND THE TELLY SCREEN

Here's an outrageous story (but it has the randy ring of truth to it, if you ask us) about life in the media – or behind your telly screen, to be more precise. Here we discover what life and *lust* is really like at a typical TV station, where ruthless blackmailers like storyteller Richard really do manage to get their leg over the birds you fancy on your telly screen, when they're not bonking their humble secretaries!

Yes, life seems to be all go (and come) for power-hungry and pussy-hungry programme executives like randy Richie...

'I usually finish him off,' she winked in confidence'

That is one young woman who needs fucking!"

I fully agreed with the remarks of TV company Controller of Programmes as we walked down one of the corridors of the station building.

Both of us were staring at the swaying, tailor-skirted buttocks of no less a person than Vivien Hall.

"I *have* tried, sir," I told him.

"No doubt you have, Richard," he chuckled. "No doubt you have."

Actually, I didn't doubt that the Controller himself had done his best to shove his dick between the legs of the young woman under discussion.

"She thinks she owns the place," growled my boss.

Vivien Hall *did* exude an air of authority and, as she propelled herself down the corridor, studio employees either gave her a wide berth or else did their best to be favoured by receiving a nod or a flicker of a smile from her.

She *was* an extremely fuckable young woman, a real vision of loveliness – medium sized in height, a gorgeous blue-eyed face framed by untamed clusters of thick dark curls, good sized breasts, curvy legs and a peach of an arse.

A couple of years earlier, she had catapaulted to fame overnight on one of the chat/confrontation programmes I produced. Latterly however, she had upset a lot of

people, both on and off the screen, and her own programme had been steadily going down in the local ratings.

Chauvinist that I am, it rankled with me that I had given Vivien her chance of stardom in the firm belief that she would 'come across'. Her 'come-ons' however, had all been a tease, and I had been denied access to her pussy.

Sexual favours *were* obviously granted by the pretty tv personality but, despite my many overtures in that direction, I had not been one of the lucky ones.

Neither had the burly, white-haired Controller of Programmes, although I knew he had struck lucky many a time with several cathode ray tube personalities.

Mind you, so had I!

The pair of us watched Vivien Hall enter the lift. She turned round and, as the doors slid to, she condescended to give us both a cursory nod as we passed.

"I'd like to get my hands on those tits," the Controller growled.

"I wouldn't mind getting my teeth into them, sir," I laughed.

Despite his high position, the Controller was a very down to earth bloke with a vocabulary that could match any of the stagehands he employed.

"Seriously, Richard," he intoned, draping an arm around my shoulders. "Something has got to be done about Viv's programme. Sure, it's watched by a lot of horny blokes leching over her and then going to bed to screw the missus, pretending it's Vivien they're poking instead. But," he paused, "a few thousand horny blokes aren't good enough for the viewing figures."

We parted and I went to my office, deep in thought. As Vivien's producer, the ball was firmly in my court. Of course, I'd rather it was *my* balls that she had caught!

I sat down behind my desk, deep in thought, as how to arrest Vivien's slide down the ratings. Apart from responsibility to her, *I* had a good job and I wanted to keep it.

A coffee would help. I rang the buzzer which would bring one of the young females from the general office rushing in to see what I wanted. I was not so high up at Metro tv that I warranted my own personal secretary.

It was Michelle who answered my call – a tall, mousey-haired girl with no discernible bust. Her long, slim legs disappeared into a leather mini-skirt.

She certainly wasn't one of the better-looking girls from out there, but she did have a pleasing personality. I liked Michelle, not that I'd ever given a thought to screwing her as there were better fish in the sea!

However, she was the kind of girl you could joke with and confide in.

I told her I wanted a coffee and she was back moments later with a steaming mug of the stuff.

"That's better than a poncey little cup, isn't it?" she grinned, setting it down in front of me.

I squeezed her waist as I thanked her. You could do that with Michelle without her complaining about sexual harassment.

"Penny for them, Richard," she laughed, plonking herself on my desk top and swinging her legs backwards and forwards.

None of the other girls would have dreamed of doing that. They wouldn't have dreamed of showing so much leg, either.

"I've got to do something about Vivien Hall," I sighed, taking a sip of the coffee.

"I know what you'd *like* to do to Vivien Hall," she laughed, throwing back her head.

"Yeah. You're right, Michelle," I grinned. "Perhaps I should put it another way."

That made her laugh as well and I joined in, too.

"What's *she* got that *I* haven't got, Richard?" she asked me.

Staring blatently at her loose, white top, I replied, "She's got bigger tits, Michelle."

"*Everyone's* got bigger tits than me," she chortled, arching her back and pressing her top close to her body.

There were definitely two bumps there which I had never noticed before. Smiling, I reminded the girl of the old saying – 'any more than a mouthful is a waste." and she laughed again.

Michelle could certainly be a tonic on a bad day.

"My boyfriend thinks Vivien is fabulous," she confessed, pulling a face to show that she was not of the same opinion. "When she's on the telly in that programme of hers, he sits in front of the box tossing himself silly."

Some of my coffee went down the wrong way. No wonder. Michelle could be very explicit when she wanted to be. Of course, the Controller of Programmes had said something similar, hadn't he?

"And what do *you* do whilst he's making himself blind?" I asked her, still coughing a little.

"I watch," she grinned. "I watch my boyfriend, not her. I'd rather watch him beating his meat than look at *her* if I don't have to."

Again, I nearly choked. Michelle had never been *this* crude before, but I couldn't help continuing the conversation. It was compelling.

"I thought that's what girlfriends were for," I put to her.

"It saves me from getting cramp in my wrist, doesn't it?" she replied, a merry twinkle in her blue eyes.

"You don't like doing that... er... particular thing?" I continued, aware of a tightness in my pants as my cock began to expand.

"I usually finish him off," she winked in confidence. "I aim his dick at the screen so he can shoot his load over Vivien. You really ought to see her with spunk running down her face!"

"Yes, Michelle," I croaked. "I really ought to."

By now, my crotch was oppressively tight, and I had to stick my hand in my pants pocket and try and make some room for my beleagured cock. It was a movement that did not go unnoticed by Michelle.

"Bloody Hell! Have *I* done that?" she cried, raising her hand to her mouth.

"Yes, Michelle," I grinned. "It's all your fault."

'Who's a big boy then?' she grinned'

‘It was sheer heaven and I told her so’

LIFE & LUST BEHIND THE TELLY SCREEN

She slid off the desk and I thought she was going to go, but she didn't.

“As I'm responsible, Richard,” she said softly. “I'll do something about it if you like. I've only ever wanked off my boyfriend, but I'll have a go at your dick if you're desperate.” She peered at my crotch. “It *looks* like you are desperate.”

“Sometimes, Michelle,” I gasped. “You say the nicest things.”

In somewhat of a daze, I stood up. There was no longer any need to disguise the state of my arousal. Michelle hung a ‘do not disturb’ sign on the door of my office and, heart thumping, I took the few steps to my adjoining loo and washroom.

“I wouldn't do this for everyone, Richard,” she grinned, expertly unfastening my trousers and lowering the zipper.

“I should hope not, Michelle,” I smiled at her. “There would be no work done.”

She sharply yanked down my trousers and briefs together and I tucked up my shirt. Suddenly, I was showing myself off to a female underling whom, previously, I'd never fancied at all.

She had however, suddenly become quite attractive and sexy as hell.

My cock is on the large size and it's nicely shaped. I looked into Michelle's face for her reaction upon being confronted by my proud rod. Her eyes widened and her nostrils flared. She was obviously impressed.

“Who's a big boy, then?” she grinned, reaching out a ringless hand to grasp my hardness.

I inhaled urgently at the touch of her soft, warm hand. It always feels great when a bird takes hold of your cock and I closed my eyes, letting my manhood pulse in Michelle's sensual palm.

As my eyes were closed, I didn't see her other hand coming up to cup my balls; but I was suddenly aware of it! I jumped and gave out a little squeal.

Michelle laughed. I might be the boss outside, but in that little room with my pants down it was the young Girl Friday who was in charge of things.

“I'd better start wanking, hadn't I?” she grinned. “Otherwise, you might tell me off for wasting time!”

Michelle moved me so that my prick was over the dove grey wash basin. She stood behind me and I looked at her in the big mirror in front of me.

“I'd never really noticed how attractive she was until now.

My cock was now throbbing beyond belief, but relief was at hand!

“Do I have to start myself and you'll finish me off, like with your boyfriend?” I grinned at her reflection.

Michelle just laughed and I watched in the mirror as her long, slender fingers caressed my pointing prick. Then I saw her other hand come between my legs and she brushed her fingers over my balls

It was sheer heaven and I told her so, as Michelle began to wank me, her palm beneath my cock with her fingers wrapped around the top. I watched her through the mirror, but I didn't really know what to do with my own hands, so I just let them dangle at my sides.

Michelle removed one hand from between my legs and she encircled my waist with her arm. She was close against me, and I could feel the hard hillocks of her tiny breasts pressing into me.

She held my cock in a feather-light hold as she continued the manual delight. Little trickles of pleasure slowly spread through my body.

“This is really lovely,” I purred, smiling at her through the glass and then lowering my eyes to see my agitated tool aiming at me. Michelle's hand slid urgently, but lightly, back and forth.

The young girl from the general office administered one of the most delightful handjobs I'd ever hand. And inevitably, the pumping action brought forth the desired result – a flow of spunk. I felt it rising inside me and Michelle giggled. She knew, too.

The thrill peaked as I tried to hold back the surge. Of course, I couldn't.

“Ayeeyaah!” I cried out as Michelle spunked me. I watched my sperm shoot out of my tool and land in big blobs in the grey basin.

Still holding onto my waist and my cock. Michelle carried on wanking until I had dried up. Then, she let go of my collapsing tool, and it came to rest upon the rim of the sink.

I couldn't thank Michell enough. Of course, if she'd done it once, she would do it again. It was something to look forward to.

Later in the day, several ideas began to form in my mind as to ways of improving the ratings of Vivien Hall's show. I managed to get hold of her before she left the building.

“What do you want?” she demanded petulantly. “I'm on my way to the shops. Can't we meet later?”

“Your place or mine?” I asked her.

“It will have to be yours,” she replied imperiously. “I'm having new soft furnishings. Anyway, is it important?”

I gave her to understand that if she didn't heed what I had to say, then she would be running up her own curtains and cushions in future!

Punctuality was one of Vivien's attributes and, bang on time, my door-bell ‘pinged’. I let her in and she whisked the imitation fur coat from her shoulders and brusquely handed it to me as if I was the doorman at a club.

I had to admit to myself that she looked absolutely fabulous. Her bright red, tight-fitting dress erotically emphasised the fullness of her curves.

One black-clad sculpted leg crossed over the other as soon as she settled herself on the settee. A light touch of make-up accentuated the classic features of one of the most beautiful girls in the world of television.

I began to compare the famous tv star with young Michelle. Previously, there would have been ‘no contest’, but now it would be a closer contest. It's surprising what a difference a girl's hand on your cock can make!

Vivien didn't drink booze but I had a bottle of *non*-alcoholic wine in the fridge, so I gave her some of

THE MUSIC LINGERS ON IN PARK LANE, WITH OH-SO-CHEWABLE CELLIST, MELODY!

You have to be somebody *very* special and mega-sexy to grab *nine* knockout pages in *Park Lane* – and musician Melody Morris from Milton Keynes is just one such lovely who cries out to be your 'Pride Of Park Lane' this time round

What's more, like the toothsome twosome who provided the musical overture to this *Park Lane,* Melody makes music too – especially when she gets her friendly cello between her legs.

She's not actually been accepted by a college yet, but when examiners see how well this eager-to-learn 19 year old performs, we bet she won't have any problems finding a suitable position. ►

WorldMag .net

In the meantime, Melody's making ends meet by revealing her *other* talents to please, *and* providing aural pleasure on funky 25p-a-minute (38p peak-times) phone-in lines like *Large One Between My Legs* on 0898 884 019 (and let's not forget her rhythmic raunch on *Superstud Required* on 0898 884 023). Well, a struggling musician does have to make ends meet *somehow*, doesn't she?, and our 'Pride Of Park Lane' has a unique talent for making music in all sorts of ways...

MADE-TO-PLEASE MARIAN'S IN NOTTINGHAMSHIRE!

YES, LET ME CATCH UP ON PARK LANE'S COUNTRY CAPERS - AT A BARGAIN PRICE!

Post to: Park Lane Bargain Back Issues Offer/Box 171/London E.1
Please rush me six steamy recent issues of *Park Lane* for just £9 *including* post and packing.
I am 18 years or over, and a genuine newcomer to Park Lane's pleasures.

NAME .... DATE

ADDRESS ....

Now and then, Park Lane's picturetakers like to get away from it all, away from the smoke and bustle of Park Lane, London W.1 and environs.

And when Marian from Nottingham invited us to go on a conducted tour of her country - with the promise of revealing some of her own hidden delights as we toured - the temptation soon had local lads rushing to show her the way.

The only problem was that meaty motorist Marian got hopelessly lost now and then, but her way of attracting roadside assistance soon had local lads rushing to show her the way.

So enjoy this round-Nottingham tour with vivacious flasher Marian (the five-bar-gate snaps especially) ending up with Marian finally bidding 'adieu' on the back of a lorry when her own wheels finally gave up the ghost.

Now we're not saying what happened between Maid Marian and the truck driver in Sherwood Forest - because we just don't know!

Oh, and if you're a newcomer to *Park Lane* note you can still catch up on other having-it-away days in the country, simply by exploiting Park Lane's amazing Bargain Back Issues Offer for lusty latecomers to Park Lane's pleasures.

Simply post the reservation in Maid Marian's randy rustic sexcursion and we'll send you half a dozen Park Lanes (all of them dynamite) for far, far less than their original cover prices.

But hurry, because stocks of much-in-demand, bygone Park Lanes can't last long!

'She actually grinned at my straining bulge'

Continued from Page 31

that. She sipped it slowly as I really laid it on the line to her. The pretty presenter was left in no doubt at all that she had to agree to my proposals or else.

"There *are* other television companies," she sniffed disdainfully.

I then pointed out that other companies were only interested in top-rating personalities, not those with a reputation through the industry for 'awkwardness'. I told her that the general consensus of opinion was that she needed more fucking!

"Charming!" she responded, holding out her glass for more wine.

"So that's just what I intend to do to you, Vivien," I smiled at her, giving her the refill she wanted.

I had decided to make a bold approach as a refusal would hardly have mattered. If she agreed, it was an unexpected bonus.

"And why should I let you?" she asked softly.

I sensed a victory in the offing. I might get that bonus after all. My cock gave a lurch.

"A couple of reasons," I grinned, sitting close to her and risking a hand on her nicely-rounded kneecap. "One is gratitutde for all I've done for you."

"What's the other?" she wanted to know.

"I've got a big dick," I told her.

Vivien roared out laughing. It was good to see. Her head tilted back and her teeth shone. I knew then that she was mine for the taking. My cock knew it, too, and it began to assert itself.

"Purely on account of the second reason," she smiled, turning her head towards me, "I shall accept your offer."

My heart was pounding as I led her into the bedroom. I switched on all the lights.

"It's bright in here," she blinked.

"I dont want to make love to you in the dark," I told her as I lowered the zipper at the back of her dress. "I want to look at you all the time."

"That's a nice thing to say," she murmured, easing the dress off her shoulders to bare their creamy-skinned roundness. Then, the red sheath slid to the carpet leaving her in a white nylon waist slip and white, overflowing bra.

As I stared at the exposed upper surfaces of her breasts Vivien pushed down her slip. It sailed to her ankles, and she delicately stepped from both crumpled garments without catching her black, stiletto heels.

I stepped back, my attention now drawn to the flimsy triangle of white nylon in her crotch. Several black curls peeped over the top. I'd always believed she would turn out to be a thickly-bushed girl.

Vivien started to strip me, running her soft hands over my hairy chest as my shirt came off. I couldn't wait to feel those same hands on my genitals.

She dropped my pants and she actually grinned at my straining bulge in my briefs.

"It looks like you were telling the truth about your dick, Richard," she laughed.

Vivien didn't go for my briefs. Instead, she reached behind her, unclipped her bra and passed the straps down her arms.

I let out a whistle as she bared the top half of her body. Her breasts were wonderfully big and bouncy, her pretty nipples pointing up and out.

She inclined her head coquettishly and thrust her boobs further out in an unspoken invitation for me to take hold of them.

Which of course, I did.

"Hmm. Lovely." I breathed as I gave her splendid tits a good feel, savouring the incredible fullness of the delectable globes.

Remembering my conversation earlier in the day with the Controller of Programmes, I lowered my head and got my teeth into them.

Their musky warmth made me feel heady, but I managed to give tiny bites and lick their surfaces,

►

"OK then, Susan, I suppose oral sex is an acquired taste."

'Her thighs were truly luscious'

'You can eat it later,' she said hoarsely'

LIFE & LUST BEHIND THE TELLY SCREEN

my tongue disappearing down the valley between them. Her nipples became even stiffer.

Suddenly, I was aware of my briefs being inched carefully over my cooped-up hardness, and I raised my head to watch Vivien unveil my aroused genitals.

She took hold of my stiff cock as she eased the near-bursting cotton over it. A million tingles ran through my body as she touched me for the very first time down there.

With my cock freed at last, Vivien yanked down my briefs and her other hand immediately cradled my balls. I nearly went crazy with the feel of her soft, moist palm on the sensitive undersides of my testicles.

"You've got big bollocks as well as a big dick," she laughed, springing my tool up and down. "A pity you won't be able to get those inside me as well."

I promised her I would do my best and she gave my tool a final flick, gently squeezed my balls and then sat down on the edge of the big divan bed.

Vivien still had on her black stilettos and her black, stay-up stockings, I got on my knees in front of her. Actually, I think the goddess-like creature liked that and, I must admit, I did feel a bit subservient and that stage.

I eased her stiletto-heeled shoes from her feet. She wriggled her toes. Her stockings could have stayed on, but I wanted to feel her silken limbs against me and not the rasping nylons. So, slowly, enjoying every sensuous second of what I was doing, I peeled down the filmy hose from her right leg.

Her thighs were truly luscious, causing my prick to throb even more violently. I was glad that Michelle had pleasured me earlier as I might just have leaped onto Vivien and banged away like a lunatic there and then.

However, I kept my cool and took the same amount of time with the left stocking as with the right.

Vivien eased her bottom up from the bed, indicating that I was to perform the final part of her denuding.

I reached out and hooked my thumbs in the elasticated top of her skimpy knickers. Then, I held my breath as they came away from her crotch exposing her dark thicket. Once they were clear of her bum, she sat down again and I peeled the material over her lovely legs.

When they were off, I parted her knees and stared up the insides of her well-exercised thighs at her supreme prize, the glistening pink lovelips.

"Superb," I breathed, my pulse racing as, still kneeling, I gazed at the sight I never thought I would see.

Rising on my knees, I slowly propelled my head towards the crinkly black triangle and her inviting sex entrance. Vivien however, began to wriggle backwards into the centre of the bed.

"You can eat it later," she said hoarsely. "Right now, my pussy wants to feed on your dick."

Vivien was good and ready for it. There would be no going back now.

I clambered after her and got on top of her superb, willing body. Lowering my head and pursing my lips, I planted little kisses on her shell-pink nipples as Vivien thrust herself up at me. Sophisticated and arrogant she might be, but she was just like any other woman when her cunt had got a whiff of hot cock.

"Put it in!" she appealed, one hand reaching for my dick, pulling it towards the apex of her thighs. When she had got my rod kissing her pussy lips, she let go of it and both her hands pressed down on my arse to speed my prick on its way inside her.

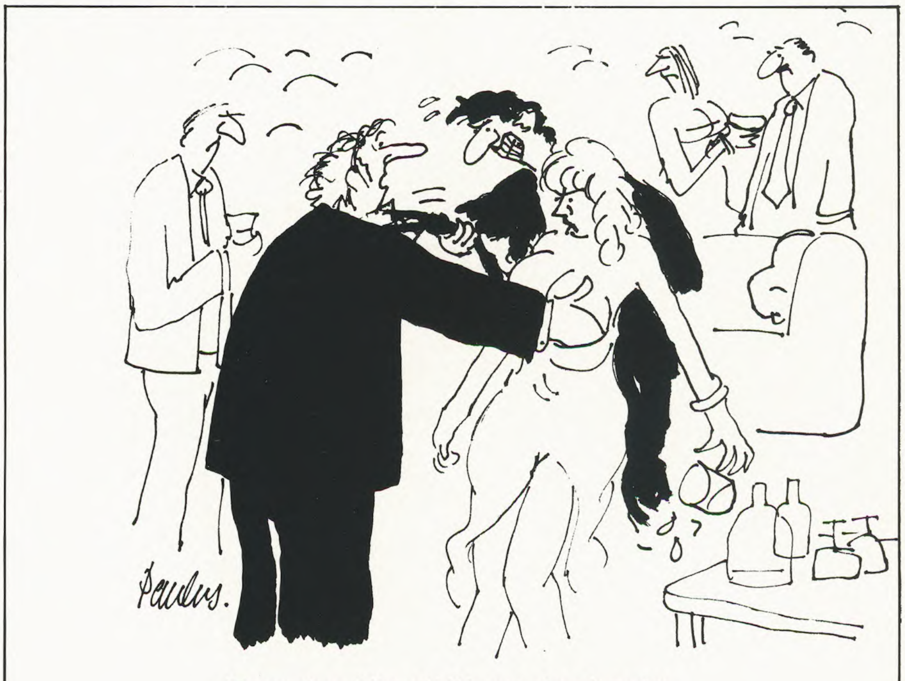
It was magical, penetrating Vivien for the first time. Her warm, clinging sex-flesh engulfed by throbbing manhood. She had never looked lovelier. Her dark curls were splayed against the white pillow and her face shone with pleasure.

When my cock could go no further, her legs came around me, and I ran my hands up and down their warm, silken outsides.

Savouring to the full, every second of the union, I began to screw Vivien. Her cunt sucked greedily on my cock as it moved in and out.

"It's not only a big dick," she grinned. "It's a nice fat one too. I'm sure my fanny is going to burst!"

I went faster, my balls slapping gently against her. She was warm beneath me and her shapely legs were warm around my waist, too.

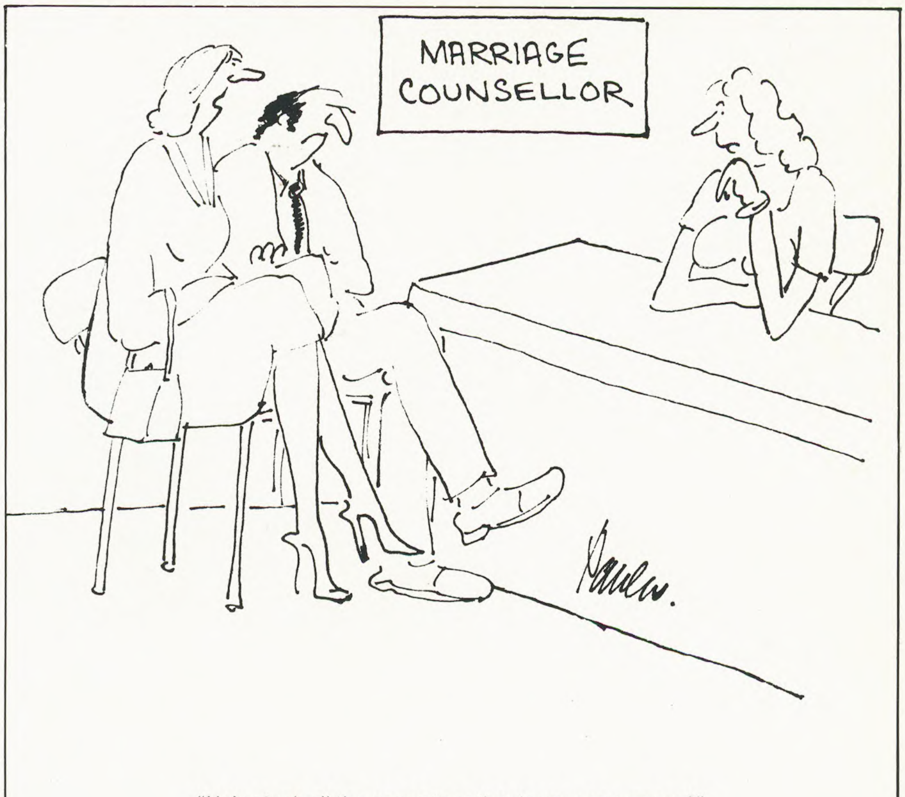


"Sorry, chum, I thought this was a handwarming party"

'Vivien was good and ready for it'

‘I knew there was another massive load building up inside me’

LIFE & LUST BEHIND THE TELLY SCREEN



“He’s stuck all the pages together in your sex manual.”

Her love socket, however, seemed *red* hot; so much so that she turned on her sprinkler, coating my cock with love juice as its plunges became harder and speedier.

Despite the gusher I’d had earlier in the day at the hand of Michelle, I knew there was another massive load building up inside me. I managed to keep it on the boil, my thrusts becoming fiercer and fiercer.

I knew I would, more than likely, get to fuck Vivien again. It would always be terrific, but it would never be quite as fabulous as the first act of nerve-shattering intimacy.

In her build-up to her own climax, Vivien began to writhe and moan. I took hold of her shifting breasts and watched the ever-changing expressions on her face.

“Give me all you’ve got,” she exhorted me, when she knew I was about to shoot.

We came in explosive unison, our bodies thrashing wildly in noisy ecstasy. Such was the power of the muscles in Vivien’s cunt, that I felt my cock was in danger of being pulled out by its root as my sperm jetted into her.

Gradually, we stilled and I crashed out beside Vivien’s warm, curvy body. I asked her to stay the night and she agreed.

There wasn’t a long interval before we started to rouse one another again. Her hands were lovely on my genitals. She waggled my tool until it was well on the way to becoming a powerful weapon once again.”

“You can eat me now,” Vivien told me, raising her knees and parting her legs.

Eager to discover how she tasted, I put pillows under her backside so that her wet pussy was perfectly positioned for my face.

Then I got my head where my cock had begun its activity and my tongue began to saw gently at her slit.

Vivien immediately went wild and I had to grip her thighs with my arms as my tongue swirled inside her sex vault.

She tasted like anyone else, of course, and the aroma from her thigh juncture was identical to any other young woman’s smell but she was still someone very, very special.

Juice was helplessly sprayed into my face as she ground her sodden pussy against me and, after I had had enough, she lay back, exhausted, for a little while.

Then, she said she would give me a ‘special wank’. I wondered what that was as I knelt astride her. I soon found out – and it certainly was something ‘special’.

Vivien used both hands on my now, poker-stiff prick, but instead of pumping it in the usual way, she rolled it between the palms of her hands.

“It *is* different, isn’t it?” she laughed. “I like doing hand jobs this way. Besides, it’s easier on the wrist.”

Fascinated, and thrilled, I watched my tool being rolled by her. One second it was between her finger tips and the next it was between the heels of her hands.

I didn’t tell her I was coming. I just fired my spunk into her face and grinned to myself as I watched the sticky globules running down her cheeks.

Michelle would laugh, remembering her story about her boyfriend, when she saw *that* on the video.

Yes, my bedroom was brightly lit so that the concealed cameras would get really good pictures of Vivien being fucked and played with. Nobody else would ever see the raunchy home video which was a pity really because it would push Vivien Hall right up in the ratings if it could be networked across the country! Nobody *else* would see the video, that is, as long as Vivien behaved herself...

liberated lady."

"You don't say?" Connie purred on, rising to the bitchiness. "Aren't you rather young to be playing around with an older fella?"

"Oh yes, and I'll let you know when I find one!"

"Well, you will just have to go back to your reformatory this evening. Hugh Mortimer is mine, and I am claiming my rights tonight."

"I'm nobody's!" I expostulated.

"There he goes," sighed Connie. "These sudden bouts of amnesia will be the death of him."

"I am not putting Anthea out into the street," I said.

"Why not, darling, it's obviously where she's most at home, surely?" Connie came back.

"Hugh, dearest, I seem to be upsetting your maid. Perhaps we had better go to my brother's this evening?" Anthea suggested.

Brother Barry's was a superb large flat near Manchester Square.

"Just you stick up for yourself, especially now, right inside me," murmured Anthea throatily, crawling on top of me as passion arose once more between the sheets.

After a couple of days, I realised that I could no longer stay with Anthea at Barry's. Besides, it was positively churlish: me not going back to my own flat.

But even as I pushed the door open, I heard Connie

'Connie's touch was horny and instant'

speaking to my boss, my old school chum, Percy on the telephone: "No, Percy, dear, I do not know dearest Hugh's whereabouts: He has been with his little *plaything* for the past few days. It's the Lolita syndrome, you know. Some men get it earlier than later..."

"Bollocks!" I roared, slamming the door, and grabbing hold of the telephone by yanking it from her.

"Oh, hello Hugh!" said Percy. "Look we need a new model for that creamy soap account the agency has just been given. We need a *new* face. Got to come up with something pretty quick, right-o?"

"That let's *you* out," I said to Connie nastily.

She stood in front of me, unzipped my trousers, and grabbed hold of my cock. She did not need to say anything more. Connie wanted sex – and now. Specifically, she wanted *me*.

No female can compare with her. I realise that whenever I return to Connie's physical entrapment, after a dalliance. Anthea, and the rest, are just as attractive, with just as good bodies. But, and it is a very big *but*, they do not switch me on like Connie does.

Connie's skilled touch was horny and instant. She devoured me with those hooded eyes of her. And those legs – yes, her legs were better than anyone's, I decided – snaked around my chest. My hands reached up and contacted her tits. They, too, were absolutely magnificent, like the hummocks between two deep dales. Holding them and massaging away, I forced my head up, kissing her belly button and chest until I was level with them.

"Come here!" Connie said savagely, grabbing my ears, so that we were face to face. Her legs released their grip and wrapped themselves with a vengeance around my waist.

I was inside her in a trice. She came alive like an electric eel, making me hump her for all my life was worth. The row would come later. First things first, as in 'fuck'.

Connie had been chaste more than chased during her Purley 'retreat' I decided. She now threw herself on top of me like a jockey, sitting upright in the saddle, gazing down imperiously.

I knew what was about to come – besides me, that is – and I loved it. Her jack-in-the-box routine where she shafts up and down on my pole like a jack rabbit, gabbling away to herself, frenzied with excitement as she goes faster and faster.

Connie left me exhausted with a 'Tatty Byes'. She was mistress of the situation completely. I was exhausted and far too tired to play. So I got up, showered, shaved, and went around the corner into Park Lane and Percy's advertising agency

I walked through Julia's office – Julia is Perce's personal assistant – to find my Anthea standing there gloriously naked!

"I believe you recognise each other," said secretary Julia, saccharine sweetness itself.

"But I thought this was a hand cream commercial?"

"It is, but the model has to be lying on a diving board, nude, applying the cream to her hands as she rests them on her elbows, with a white gardenia in her hair."

"Why a white gardenia?" I exclaimed.

"It's the client's favourite flower. Reminds him of a long lost love," sighed Julia, camping it up by putting her hand on heart.

Next day, I watched the shooting at a private pool with a horny rise beneath my trousers. Anthea took to modelling like a duck to water. She oozed sexual chemistry, stretching herself like a Siamese prize winner. They had put on a light body oil to stop the studio lights from giving back too much 'bounce' off her skin, which made her look even sexier. And when she began to massage the cream into her hands and clasp them to her cheeks I thought it would vaporise with carnal heat.

"Any chance of a knee-trembler?"

I must have her again, I decided. Bugger Connie!

When the crew left the location I put her wrap around Anthea's shoulders and whispered, "You really were great!"

She looked at me, breathing hard suddenly, as I noticed her breasts inflating. She looked me straight in the eyes. "Let's fuck!" she whispered, in a voice not unlike Connie's in similar situations.

In the dressing room, I tore off my things with abandon as Anthea slithered like a serpent under me. She was primed up by her own carnality, that had been recognized by Perce's high grade advertising agency: proof, if she needed it, that she had the goods for modelling if ivory towers of acadame became a bore.

I just did not want to stop bonking her. Anthea's body musk, the oil, and scented flecks of soap spread over me as I felt her back legs straining with desire.

I screwed her first in a standing position. Anthea's back was against the dressing table mirror, her heels tucked under her haunches, and her knees up under her chin.

This *was* as good as Connie, I thought as we walked back to brother Barry's. "Good night, Hugo dearest," said Anthea, giving me a throaty last brief kiss at the entrance to the block. "I must go to bed, to sleep!"

"Hello, Hugo, my darling," said Connie very sweetly, and without any sarcasm, as I opened the bedroom door in my own flat some minutes later, to find her esconsed. "My, you look tired out... come to bed and *rest*."

I got in, and suddenly I was no longer tired. All Connie

'Anthea slithered like a serpent underneath me'

THE DIARY OF A PARK LANE RAKE

did was kiss me, and the rest followed. I could not stop getting hard, and she loved it.

"Oh, darling, that's lovely, that's marvellous. Don't stop," she breathed under me with joyous satisfaction, as we humped.

No questions, no post mortems – we simply went to sleep in each other's arms, with Connie kissing me awake for her eight o'clock jump before breakfast.

That afternoon I rang Barry's flat. No Anthea, but her voice was on the answering machine asking people to leave a message. I rang again and another woman answered. "Madam is not here. Would you care to make a booking, Sir?"

"A *booking*?" I exclaimed.

"Well, yes. You are a client, I presume, to have this telephone number.

"Of course. Shall we say from 7.30 onwards?"

"Inconvenient, sir. Madam does not mix her business life with her social one. Shall I give her your name?"

"Lord Cox! 6 o'clock then," I snapped, putting down the telephone.

It couldn't be, it was impossible, but stranger things don't always happen at sea as they say they do, but here in London as well.

The woman I had spoken to earlier opened the door to me. "Lord Cox?"

I nodded. She fixed me a drink, smiled, and withdrew.

There was a rustle of silk and Anthea walked in wearing a diaphonous green negligée, with a full underset of black silk stockings, suspenders, and suspender belt quite visible underneath.

"Oh, shit! YOU!" Anthea exclaimed.

Instead of embarrassment, she laughed and said, "Look a girl's gotta do what a girl's gotta do. I *am* at university and I *am* down for the half. This is a profitable sideline to augment my student grant. Oh, um, be a good sort and don't tell Jerker, *please*."

She came towards me and said, "I think I have just gone off duty."

The negligée fluttered to the rich carpet where its owner stood motionless, with a come-hither glance in her dark eyes.

"You're a two-timing bitch." I said, still feeling a bit of a chump.

"Hugh, my dear, don't be crass, you are hardly in a position to lord it about unfaithfulness, after all," she replied.

"Come here!" I hissed. Anthea obliged. I felt the silk of her nose against my legs, her suspender buckles digging into my thigh, and the tight contour of her bottom as our lips touched...

"I'll ring Jerker to see if he is back from Cape Town," said Anthea next morning, langorously stretching out a tanned arm to pick up the receiver from its cradle.

"Er, he's in the shower. Shall I say who's calling?" I heard a woman's voice answer, on the phone line.

A woman's voice. A *familiar* woman's voice. I could not believe the evidence of my own ears. *It was Connie's.*

I picked up the blower. "What are *you* doing there you two-timing, scheming slut?" I roared.

"The same as you are with sweet innocent little Anthea," cooed Connie. "Old Hankers and I have been seeing a lot of each other, and I rather like it. *I* do the jerking!"

"Hello, old top," Jerker's breezy tones came down the line. "How's little Anthea treating you?"

"Oh, er, fine. Just fine."

"So glad. I am sure you will pass her back like a good chap when I ask you to," he said.

"But she's your cousin," I protested.

"They all are in bed old top. You know, stand'em on their head and they're all sisters, too eh?" Jerker said, roaring with laughter.

More from horny Hugh in your very next Park Lane – and from his mucky chums!

BIG BABS ON THE JOB IN PARK LANE

this butler-type took my card and in a loud voice shouted out who I was.

I was in a huge room: at the far end was a huge archway through which was coming the sound of music, so I guessed the actual ballroom was through there. The room I was looking at had very high ceilings, huge oil paintings on the walls – and the paintings seemed to be mainly of a very black, very fat man who I recognized as the rulers of the African state that this Embassy represented. He certainly liked having his painting all over the place.

A tall black guy in immaculate evening dress came over to me.

"I'm Peter," he said. "Vera told me to keep an eye out for you and show you round."

I liked the look of this bloke. He took me by the arm and steered me over to the bar where I had an orange juice. Well, always *start* sober – that is my motto.

Then Peter took me on the rounds and introduced me to just about *everyone* in the room – and there must have been a hundred people there!

Of course, all the time that he was showing me round that room, more people were coming in, and as we passed the far end of the room, I glanced through the wide arch and saw a *massive* ballroom, which lots of men and women gliding round the dance floor. There were tables round the side of that ballroom: a very classy *Come Dancing* sort of thing!

I was introduced to people from all over the world; there were people there from the American Embassy, from the French, from the Dutch, from the Italian, from the Australian embassy, from the... well, you name the embassy and there were people there from it.

There were also lots of British guests – Generals, and Admirals and MPs and telly stars and such like.

I was having a great time; Peter was a great host, and that Vera had been right; the guys from the actual African Embassy were good-looking studs – at least the ones Peter steered me towards.

He showed me some really fabulous rooms – the private and state rooms he called them. Then he took me into a library. I'd never seen so many books before in my life.

I asked him what *he* did. He said he was the cultural attaché at the embassy.

"That sounds interesting," I said.

He shrugged and replied, "It means I get to do the jobs that most of the others don't *want* to do."

As he showed me round the library, he slipped his arm round my waist.

I'd never made it with a coloured guy, let alone one from Africa and let alone one in full evening dress. I was getting very worked up, and if I'd been wearing any knickers then I was sure they would have been soaking wet by that time. I was *hoping* he would make the first move.

He did. He held me tighter and then pulled me towards him as I smiled and nodded, and then he kissed me.

Well, he *was* a fast worker for in no time at all he had my dress up at the bottom and down at the top, and I was on the floor of that library, on the carpet.

The fantastic looking black guy then stripped off his pants and I saw what Helen had meant by studs. Peter had a good one: not the biggest I had ever seen, but it was without doubt the *thickest*.

This was a new experience for me, to be fucked by the Cultural Attaché of an African Embassy in the library, while about three hundred other people were in the ballroom downstairs!

His pink tongue flicked all over me: my boobs and nipples, over my flat belly, over my boobs again while I was getting wetter and wetter down there.

Soon I was tingling with pleasure and anticipation, both from the pleasure I was getting *and* from the fact that this was a 'first' for me.

Soon he rolled on top of me. He hadn't given me much foreplay, but then again, I didn't really *need* it. His lovely black penis was hard and stiff as anything, and so he didn't need any outside help from me, as it were.

He also didn't need any help in putting it in, and he made sure it went all the way in!

He pressed the head of his thick bulging knob against my pouting and very wet pussy lips, then slipped his thick, black cock all the way into me.

His firm body was now on top of me, and his lovely face looked down at me. He smiled, showing brilliant white teeth, and then started to ease that beautiful thick African cock of his in and out of my love tunnel.

I could almost hear the beat of the ►

African drums, could almost see the fresh African sky as that stud worked his beautiful cock in and out of my pussy.

For a few minutes he took it nice and easy, nice and slow, driving in and out of me with power, but going slowly and gently, letting me get used to that fabulous cock inside me.

I had never felt more full of cock before in my life, and I heaved up and down under him as he started to go faster and faster and faster.

His lovely legs were soon coated with a fine sheen of sweat as he pounded his huge cock in and out of my tight little pussy.

My semi-naked body was thrilling all over with sexual bliss, and then came the biggest orgasm that I can ever remember, as the powerful stickiness of his sperm went pulsating and showering into my pussy.

He seemed to cum for ever and a day, with that powerful black cock thrusting deep and spurting hard.

Finally he pulled out, and did something that I love a man to do when he has finished fucking me. He moved up my naked body and wiped his lovely, wet and sticky cock all over my huge heaving boobs.

"That was lovely," I said.

"I must get back to my guests," he said.

"I'd like some more," I said.

"You sound like a nympho," he retorted.

"Perhaps I am."

"Well, a couple of my friends expressed interest in you a little earlier," he said, as he started to get dressed.

"Do they come from *your* parts?" I asked.

"Oh yes, they are attached to the Embassy staff," he said. "One is on the diplomatic side, his name is William, and his tribal name is N'mo" (at least that is how I *think* he said it).

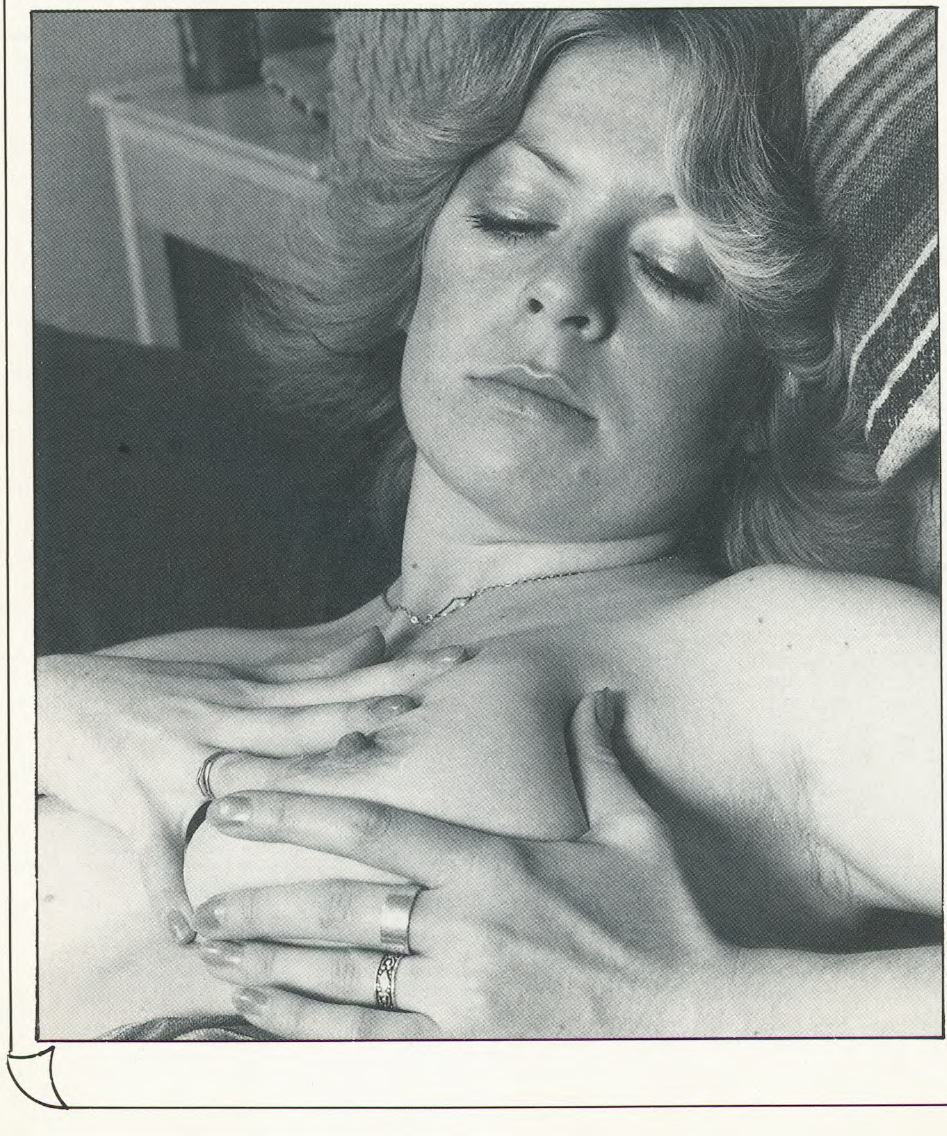
"He sounds nice," I said.

"The other is called Alan, and he works in the business credit side – a sort of export and trade expert."

He smiled, fully dressed now, and then he pushed against a panel in the wall. It swung open to reveal a huge bedroom and an *en suite* bathroom!

"We use this for secret assignments," he said.

I had thought that the bathroom at my penthouse was the most luxurious I had ever seen, but this secret one in



'There I was naked, and on the bed'

'I now had two Africans inside me at the same time'

'Alan was now licking harder'

'I flicked out my tongue and licked it'

'It was in such a frenzy of sexual delight'

BIG BABS ON THE JOB IN PARK LANE

the embassy, was out of this world.

It contained a huge sunken bath, large enough or so it seemed to get an entire football team in there.

The room was white with soft lighting, three shower stalls – pure luxury. Towels and perfumes and oils lingered by the edge of the bath.

The bedroom itself was smaller than the bathroom, but it contained a large comfortable bed, and there was a large mirror on the ceiling.

"I will tell William and Alan to come up and see you," he said.

"That *would* be nice," I told him.

He left, and I had a wash. I washed my pussy, getting it all nice and clean, and then hung up my ball gown.

I was feeling rather pleased with myself. Well, I had already had a 'first' by bonking with that man, and now two more members of the African staff of the embassy were about to come to the room and see me. And I was sure they didn't want to talk about politics.

I had just dried off, putting on a bit of fresh perfume and was resting on the bed, when two *very* good-looking black men walked into the room. William and Alan.

Like the chap before them, they were both dressed in immaculate evening wear. I remembered being introduced to them shortly after arriving at the Embassy, and remember thinking at the time that they were both very good-looking.

They were very polite and charming – I mean, there I was, naked on the bed, and obviously ready for it, and they could have been excused if they had just ripped off their clothes and dived in and got on with it. But they didn't.

They sat on the edge of the bed, looked admiringly at me, asked me what I liked, talked about sex, and were very entertaining.

William was the taller of the two, about forty, and I'd say Alan was about thirty. Alan was really beautiful. There was something about his eyes and his high cheekbones that really got me going.

"Don't you think it about time you got undressed?" I said. "I'm starting to feel lonely on this huge bed all by myself!"

They both smiled, stood up, and got undressed, and both soon revealed the fact they had thick, *throbbing* cocks.

Yes the two, stark naked black Africans stood there looking down at me.

And the more they looked, the harder and stiffer those lovely pair of pricks became.

I pointed at Alan, then pointed at my pussy. He got the message right away, and got onto the bed with his face between my legs so I could feel his hot breath on my pussy lips.

I felt his tongue tickle my clit and that sent a wave of pleasure right the way through me. Then he was licking just a little harder at that erect bud of mine, and soon another orgasm was pounding through me.

William watched his friend licking my pussy lips for a while. Then he got on the bed too; he knelt by my side leaning right over and rubbing his thick penis all over my lovely breasts.

Alan was now licking harder, lapping up my juice from my lips, and William moved up, so I had the pleasure of feeling *his* thick, black, tasty black cock rubbing it about all over my face.

He rubbed it through my hair, over my forehead, over my cheeks and chin, back over my eyes and into my hair. I flicked out my tongue and licked it as he rubbed it about all over my face.

I now opened my mouth and he slipped the head of his cock inside. At that same moment, then used his fingers, and I felt him pulling my pussy lips as wide apart as they would go.

Then, just as I started to suck William's cock, so Alan started to flick his long tongue – and it was a very long tongue – in and out of my pussy.

This was sheer sexual bliss: two naked black Africans working on me, in that decadent Embassy hideaway.

William's cock seemed to be getting ever bigger and bigger inside my mouth as I sucked and slurped and licked it. The taste was wonderful and the feel of it was divine.

Alan pushed something *else* inside me – his cock. So I now had two Africans inside me at the same time. This wasn't bad going. I'd only been at the Embassy for a couple of hours, and I'd already been fucked by three guys.

After a little while I took William's prick from my mouth long enough to ask them to change round. This they did, and then, for the next few minutes I had Alan's tasty black penis in my *mouth,* and William's thick, thrusting cock pounding in and out of my pussy.

Then they changed again, and then again. By that time I was in such a frenzy of sexual delight that I really couldn't tell which was which, what was what, and whose cock was *where.*

All I knew was that I was having the time of my life, sucking cock and feeling cock in my pussy. Like I said, it was an experience the like of which I had never known before. Sure I'd been with two men before, but not with two huge, black Africans.

It was William who started to come first, with his penis right at the back of my mouth. thick spunk started to jet from his cock, and went shooting down my sucking throat.

I had just swallowed down the last drop of his tasty cum, when Alan started to have a really fabulous ejaculation.

He started to heave and shake and his cock went as deeply as possible into my pussy, before the sperm flooded into the depths of my waiting cunt.

I don't think I have ever had so much sexual fun in my life. The taste of cum was still in my mouth, and there was Alan shooting another really full load of the lovely stuff, all the way into the depths of my lovetube.

Alan pulled out when he had finished, and then both those lovely men said sadly they *had* to get back to the reception and ball.

So I lay there on the bed for a while, and thought about the best time I'd had for ages. Then, with cum still dripping from my pussy, I staggered into the bathroom and had a shower. Then I put on my ballgown, and went back down to the ballroom for a dance, which is why I'd come!

Did I manage to get any more of those good-looking Embassy men in that secret bathroom and bedroom? You bet I did!

Well, I have my reputation as a compulsive fucker to think about, don't I?

More compulsive and far kinkier *experiences from insatiable and unstoppable Babs in your next knockout 'Park Lane'.*

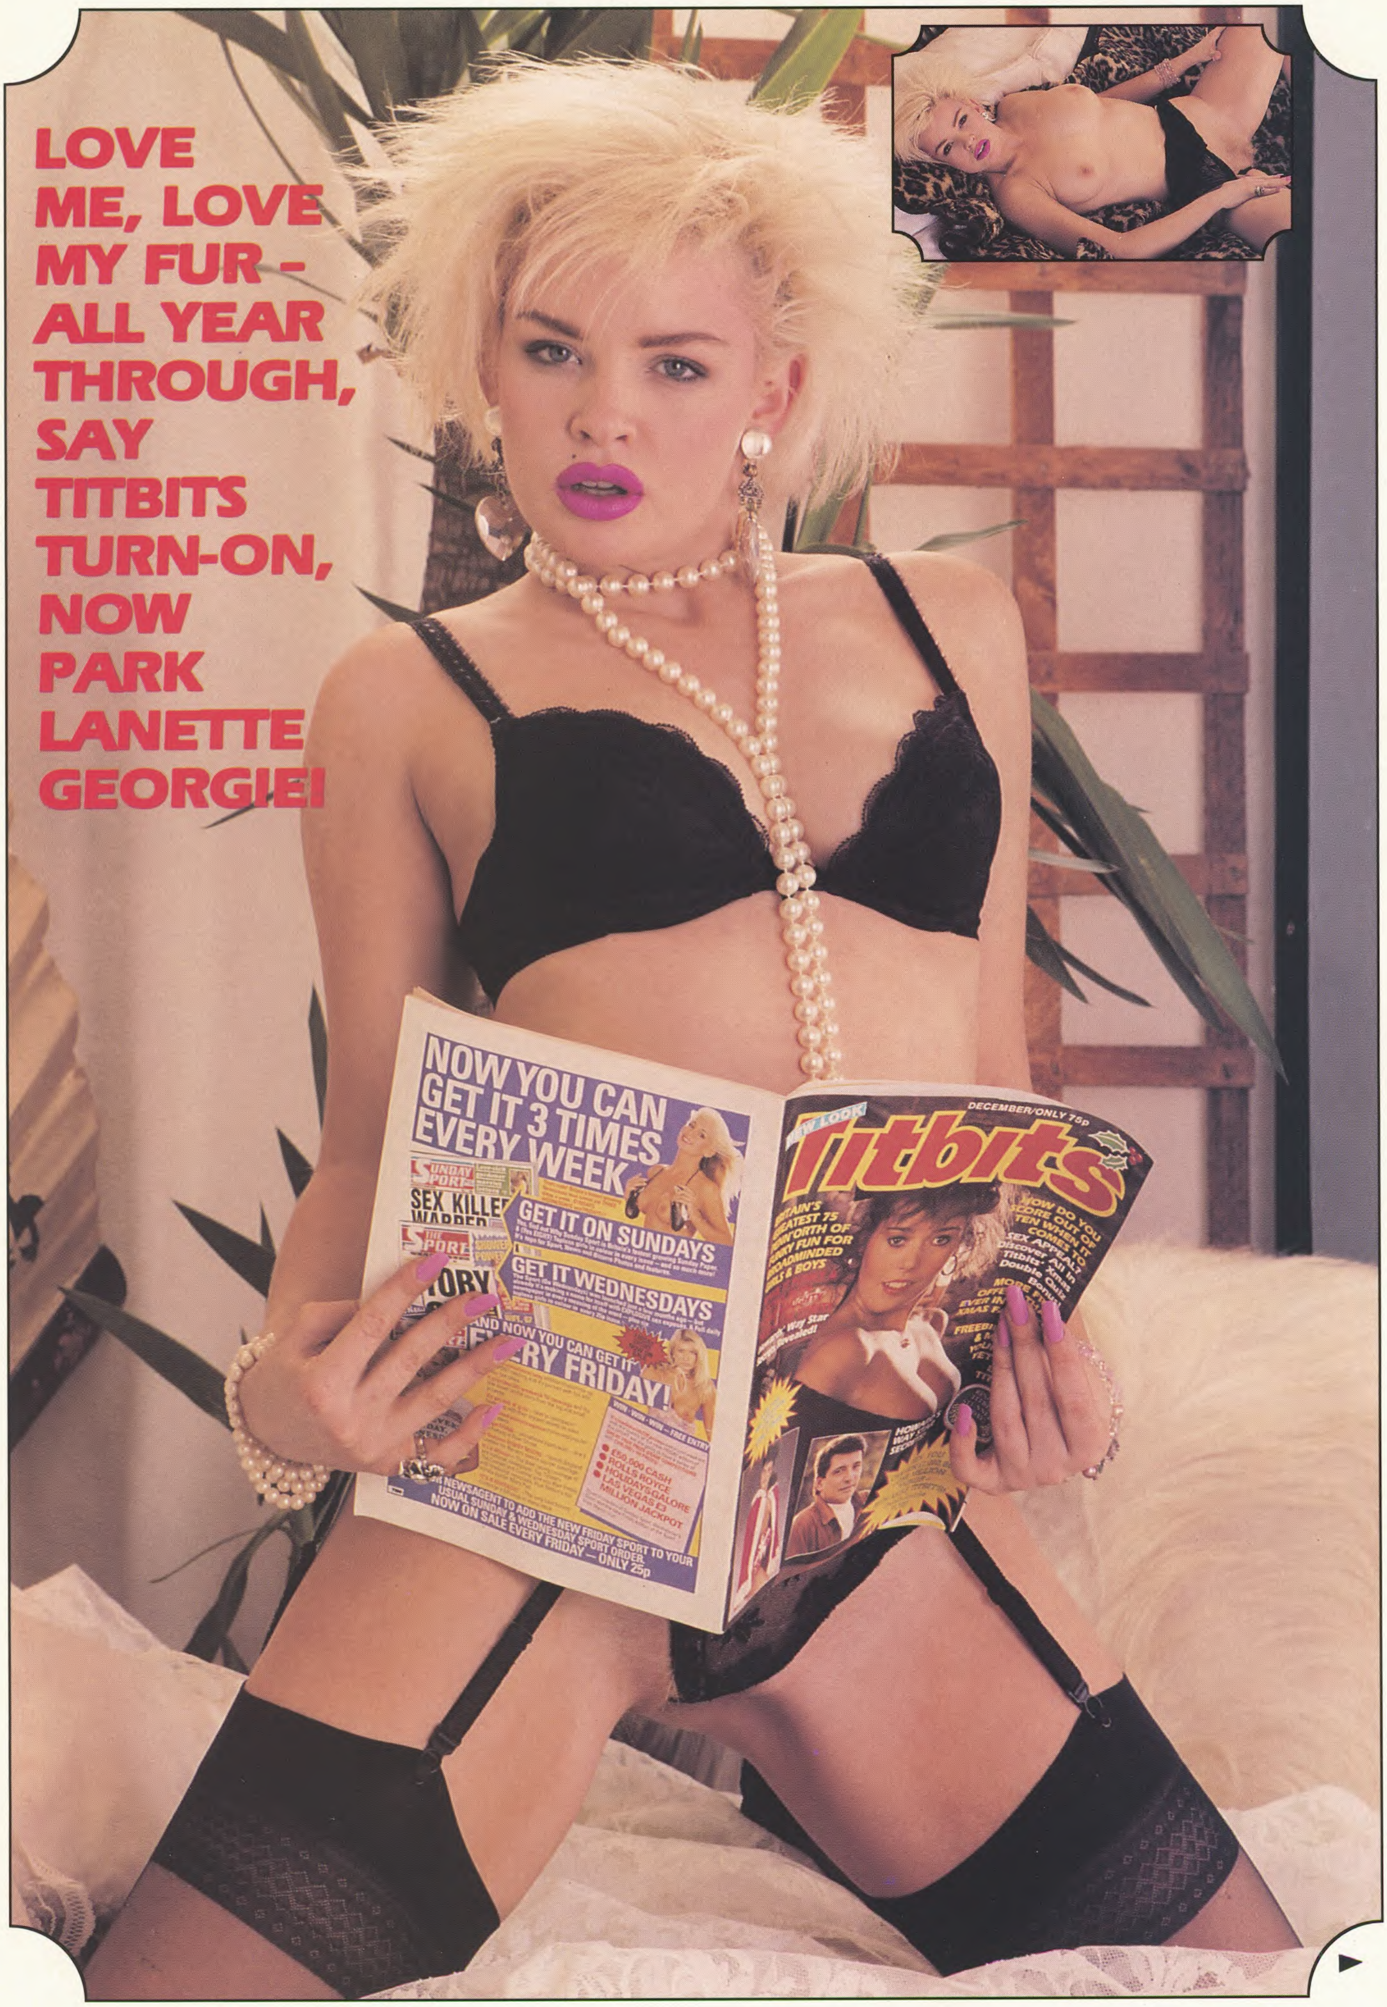
LOVE ME, LOVE MY FUR – ALL YEAR THROUGH, SAY TITBITS TURN-ON, NOW PARK LANETTE GEORGIE!



NOW YOU CAN GET IT 3 TIMES EVERY WEEK
GET IT ON SUNDAYS
GET IT WEDNESDAYS
AND NOW YOU CAN GET IT EVERY FRIDAY!
NEW LOOK
DECEMBER/ONLY 75p
Titbits

Fortunately earthy Geordie Georgie is a true friend of the earth and loves wild life in more ways than one, so her beloved fur is man-made.

On the other hand, this 19 year old from Newcastle on Tyne treats her overcoat like a spoilt, much-loved pet and won't be separated from it, from January right through to December.

Still, that means you get really furry feelings when you gaze at Park Lane's pulsating pics of this teenaged Tynesider discovered (and uncovered, first of all) by amazing, new-look *Titbits* Magazine, which is really living up to its name in the Naughty Nineties, at long last! ►

You can find out more about meaty new *Titbits* for broadminded folk just a few pages on in this *Park Lane*. But in the meantime, enjoy blonde-all-over Georgie's in's-and-out's, and note we're working on her to lend her tantalising Tyneside accent to 25p-a-minute (38p peak times) hotlines especially enjoyed by Park Lane, like *Live Sex Action* on 0898 886 400, *Let me Seduce You* on 0836 403 659 and *The Sex Party* on 0898 403 653. Well, we think our furry friend would get a big kick out of providing Park Laners with aural sensations too, don't you agree?

PARK LANER'S LITTLE WELSH CLIMBER, CALEY!

Who's this on Park Lane's palatial stairway to the stars, eager to climb to the peak of modelling stardom, in Park Lane's regular slot (specially pleasing to Peeping Tom's, Dicks *and* Harries), where naughty newcomers air their wares for sneak-a-peak Park Laners, *en route* to celebrity-dom?

It's lovely little Welsh undresser Caley Jones (what else but Jones could she be called?) from Cardiff, who came Park Lane's way via the 'Raw Recruits', first-time flashers pages of two-weekly *Parade* Magazine.

And some of the reveal-all housewives and readers' girlfriends in Parade's amateurs slot are so inspiring we're thinking of starting a newcomers' sexion ourselves!

►

In the meantime, if you love eager-to-please newcomers by the score, look out for large-size *Parade* and new *Pocket Parade* at your magazinerie alongside Park Lane.

Of if they're not there, simply ship Park Laner's useful sampler slip in Caley's cavalcade, to catch up *now* on what's been happening in *Parade* since it kicked off publication in 1916!

Here's another outsize talent who came Park Lane's way via the naughty pages of new-look, 75p *Titbits* who keep uncovering positively *brazen* British glamour talent.

However, we know that Park Laners will be only too happy to wallow in that come-hither cleavage on this horny Hampshire-born and bred, 19 year old bra-bender. ►
